Council

BRUSHY MOUNTAIN  
WINERY

*Spend the afternoon with*  
Fiber artist & potter Melanie Logan  
at Brushy Mountain Winery  
125 W. Main Street • Elkin  
Saturday • Feb. 8 • 1-4 pm

Like the chameleon in her Chameleon Clay Works logo, Melanie thrives on adapting and changing. A former Brooklynite who now resides in Mocksville, Melanie considers herself a dabbler who enjoys trying new things and experimenting with clay and felted fiber. "I especially like giving a bit of life to my pieces, whether it is by painting fruits or animals on them or making curious small sculptures."
