WE'RE HERE FOR

JOURNEY Camp is designed to serve rising **kindergarten** through **8th grade** children. We welcome one and all and look forward to getting to know your family.

WE'RE DIFFERENT

Each session is open to **15 campers** on a first-come, first-served basis. This makes our **staff-to-camper ratio** very small, which means we can offer each child the personal attention (or space!) they need. It also gives us the **opportunity** to observe and learn about your child's specific **strengths** and identify **areas of need**.

WE'RE SO FUN!

Every part of JOURNEY Camp will appeal to your child—from **P-nut's Workshop** to **Papa's Farm**, from the **pool** to **Mamaw's Garden**, the **Labyrinth of the Lion** to **Compass Cove**, your child will be surrounded by a **sensory-friendly** environment inviting them to explore, experience, and grow.

WE'RE ALL ABOUT

With positive **sensory integration** in the background—but at the heart—of all we do, the goal of JOURNEY Camp is to help children **settle** into a **sacred rhythm** with indoor and outdoor experiences that benefit every child's **nervous system**.
