Upper Yadkin Valley Habitat for Humanity is partnering with local families right now to build homes and change lives!

People in our community and all over the world partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage. With your help, Habitat homeowners achieve the strength, stability and self-reliance they need to build a better life for themselves and their families. At Habitat for Humanity, this is what unites us. Through shelter, we empower.

Upper Yadkin Valley Habitat for Humanity builds in Yadkin

and the Tri-county area of

Surry and Wilkes counties

with qualified homebuyers

regardless of race, religion or

background. Each Habitat house is built

or rehabbed in a partnership between

homeowner families, sponsors and

volunteers. The house is then sold for no

profit to the Habitat homebuyer.

Every person, every voice, every donation makes a difference as, together, we build a brighter future. Thank you for being part of the **Habitat Hammer** and Habitat homebuilding in our community!
